HIGHBURY STADIUM ADVERTISING

PERIMETER BOARDS

Perimeter boards are the perfect way to increase your brand awareness. They can be seen by people in the stadium, on TV, and on photographs which are published across several media outlets.

BIG SCREEN

Located in the corner of Highbury Stadium, the big screen is a unique way to not only raise brand awareness, but also to put out direct messages to all visitors inside the ground with up-to-date content.

LED ADVERTISING

Introduced in the 22/23 season, our new LED system opened up a new and innovative way of advertising at Highbury Stadium. They are built to withstand any weather condition to ensure that your message will be displayed to all the fans throughout the season.

POSTER SITES

Located throughout the stadium in the concourse, bars, and washrooms, posters are an affordable and effective way to be in the direct eyeline of fans of all ages.

POOLFOOT FARM ADVERTISING

ABOUT POOLFOOT FARM

The continuous growth of the club's training ground has made it the perfect place to advertise your company. Poolfoot Farm is an elite public facility, and your companies branding will be seen by the thousands of people who visit every week.

11-A-SIDE

From tournaments to training, the 11-a-side pitches at Poolfoot Farm are used daily all throughout the week and can be viewed from not only pitch side, but also from The Coffee Box.

5-A-SIDE - GOALMOUTHS

One of the biggest advertising sites available at the football club, 5-a-side goal mouth advertising is not only beneficial for brand awareness but also for a call to action.

5-A-SIDE - HIGH-BOARDS

Featured across the top fences of the 5-a-side cages, the high-boards will be viewed by the hundreds of players each week to boost your brand awareness.

BUSINESS CLUB

Launched in March 2013, the group regularly refers hundreds of thousands of pounds of business to each other every year. Hosted fortnightly, we are keen to grow our links with the business community and provide a platform for local businesses to promote themselves to fellow members of this exclusive club.

Membership is by category of business by invitation only. Visitors are welcomed to attend and get to know the group as well as offer a unique product or service that is of benefit to members before committing to joining the Business Club officially. Along with this, social events are also organised to help get to know members on a more personal level. Fleetwood Town's Commercial team host, administer and promote the Business Club to the benefit of all members and has proved to be a great investment for those involved.
